

David Benson UNLEASHED IN EUROPE

Dual Edge Records is proud to announce the release of David Benson's fifth (5th) Album. This long awaited release marks David's first LIVE album, which will be released on Friday, August 7, 2009. Available in Stores and Online.

UNLEASHED IN EUROPE is a first of sorts, it marks David's first release with Dual Edge Records. This raw unbridled album was captured at Festival appearance in Europe, David was not aware that the appearance was recorded. But it was evident once master recordings were discovered, He had the makings of what would become UNLEASHED IN EUROPE.

The album was **MIXED BY LEGENDARY PRODUCER NEIL KERNON**, who is best known for his live recording work on Judas Priest "UNLEASHED IN THE EAST" and Peter Gabriel "PLAYS LIVE", as well as his mixing and producing capabilities on countless Gold- & Platinum Albums (Dokken, Kansas, Hall&Oates, Queensryche, Michael Bolton, Nevermore) and Live Sound for Queen, Yes,.. This one off live performance captures the raw energy of David Benson in his element LIVE!
